Today, by the Grace of Allah (SWT), the caravan of Tameer-e-Millat Foundation (TMF) has delivered thirty years of educational services to the deserving people of this nation. At this moment, one is compelled to stop and ponder on why we started this journey.

The simple philosophy of Dr. Zaheer Ahmad, founder of TMF, was to make a positive social & economic impact at the national level by making affordable quality education accessible to all.

TMF believes in serving the nation, and has done so. Our success is visible when we see communities sending their children to school, our students graduating and continuing their education.

Throughout our struggles & challenges, our resolve has not waived due to the continued support of our donors, supporters, our teachers, workers, parents and students. The seeds that were spread across the lands of Pakistan, especially in rural areas, have now grown into shady umbriferous trees. It is a moment of great pleasure to see that our children are progressing and developing in all fields of life with distinguished character and conduct.

5 Schools to be Upgraded

Five secondary level schools from the TM Network have shown consistent successful performance over the years. Therefore, TMF has given them the target to upgrade to Higher Secondary Level (F.A. / F.Sc.). Classes will begin in the 2019-20 academic session. The following schools will be upgraded:

- Pir Muhammad Batth TM School, Bhojan Batth, Gujranwala
- Muhammad Akram Khan TM School, Dhariwal, Gujranwala
- TM High School, Dharyala Jalip, Pind Dadan Khan
- Imam Din TM High School, Mian Channu, Khanewal
- TM Model School for Girls, Ratwal, Fateh Jang

Cleanliness Week Observed

TM School, Skardu celebrated cleanliness week on April 22-28. The opening ceremony was graced by Gilgit Baltistan Assembly member, Kacho Imtiaz. Students picked up garbage from nearby areas and placed dustbins and awareness posters. A community awareness walk was also arranged. This was an excellent way to educate students about the negative impacts of litter on the environment and how they can help to make a difference in their community.

Tameerians Serving in the Pakistan Navy

Mansoor Hussain completed his 8th grade from TM School, Sobho Dero, district Khairpur, Sindh. He went on to complete his Matric & FSc from TM School of Excellence, Fateh Jang. He then obtained a Diploma of Associate Engineering in Aviation from the Pakistan Navy where he is now actively serving as an Air Engineer Technician.

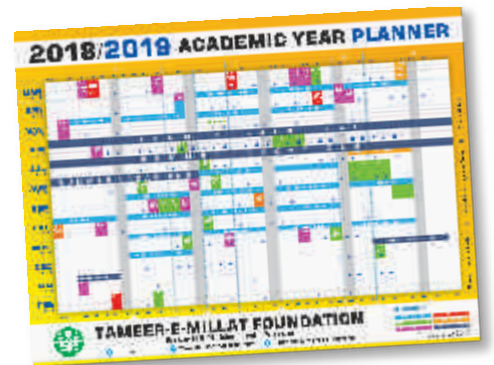

"I never skipped a class. I loved my school and I continue to keep in touch with them."

Sajjad Ahmad is an earthquake affectee from Kashmir. He passed Matric from Tameer-e-Jannat Science School, TMCE, Fateh Jang, on scholarships. Afterwards, he obtained a Diploma of Associate Engineering (DAE) in Electrical Technology from TMIT. He served in TMIT as Vice Principal for two years. Currently, he is serving as an electrical engineer in the Pakistan Navy.

Formal Character Building Plan - FCBP

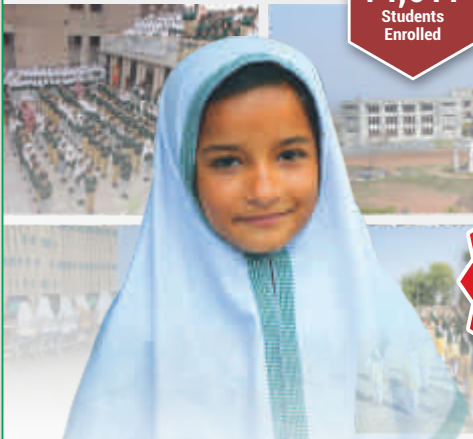

"Tameer-e-Millat" is not just a name, it is our aim in life i.e. working to mold the character of our young generation in order to build this nation. Character building, commitment, focus and consistency are the key. For this purpose, we have developed "Tameer-e-Seerat" under the title "Formal Character Building Plan" that will focus on specific core values throughout the whole academic year. This will be incorporated into their academic calendar and multiple activities will be carried out to inculcate these values which include: Faith, Fairness, Honesty, Respect for others, Kindness, Self-respect, Self-control, Courage, Cooperation, Caring, Courtesy, Compassion, Citizenship, Confidence, Conscience, Responsibility, Patriotism, Trustworthiness and Cleanliness.

Moreover, e-Nazara Quran classes have been initiated across our network, and a Curriculum Development Officer provides basic computer and Tajweed training to the teachers.

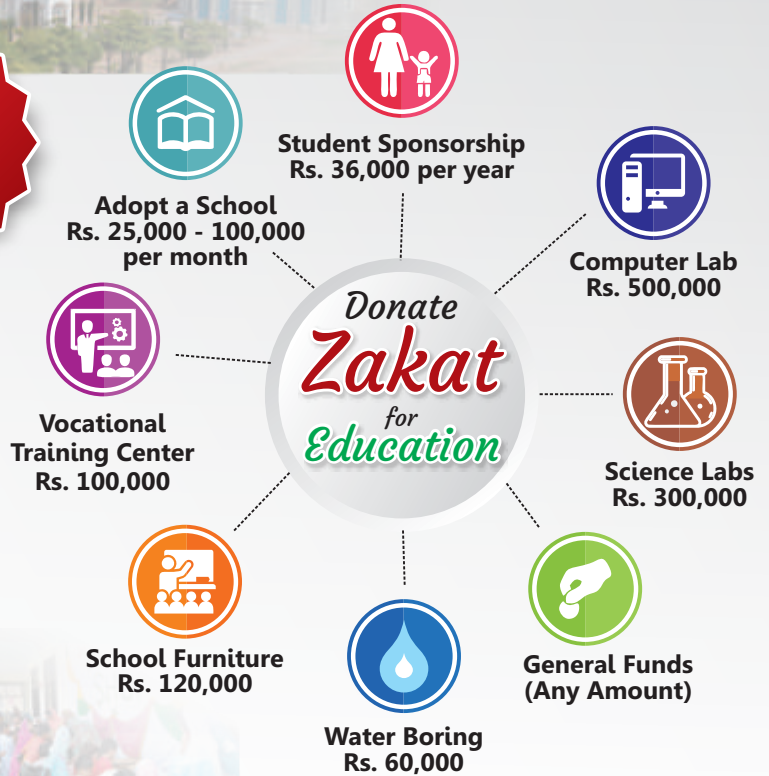

Tameer-e-Millat Foundation is one of the few organizations uniquely working to provide education across all levels - primary, secondary, higher secondary, technical and at the university level.

Building a Better Nation One Student at a Time

We are encouraged by our accomplishments, but our focus remains to grow and continue our efforts in supporting the less advantaged for seeking education. The month of Ramadan is approaching and we urge you to support education and spread enlightenment and empowerment.
